

Nursery Vision

Our vision is that parents will feel secure leaving their babies in the arms of loving volunteers. We want parents to feel free to worship God and respond to His Spirit during the worship service.

We want the babies to feel safe as they are being cared for in a bright, clean environment, so they will experience God's love through the caregivers.

We believe it is never too early to teach children about Jesus and His love!

General Information

Snacks

Older babies often receive an age appropriate snack. Please be sure to write any food allergies on your child's security sticker.

Nursery Workers

Our nursery workers love children! All workers are approved by Crossroads Assembly of God guidelines. To provide adequate supervision, we take into consideration worker-to-baby ratio, and staff accordingly.

Monthly Newsletter

Be looking for our new monthly newsletter which will feature 1 Nursery Worker and 1 Baby each month, and will include baby signs, and have informative articles about caring for your baby.
